

## Movianto donates over 15,000 euro to Doctors for Developing Countries in 2010

**Stuttgart, 16 December 2010. With the help of different projects throughout the year, Movianto is proud to have crossed the mark of 15,000 euro to support the construction project at the Pushpa Celesio Children's Tuberculosis Clinic in Kolkata.**

Alexander Paasch, CEO of Movianto Group, launched the telethon for the entire Movianto Group at the Celesio's Summer Party in July 2010. Thereafter the European-wide customer survey was linked to the donation with a contribution of 25 euro for each client who participated. Moreover, Movianto Germany and Movianto Austria set a sign for their continuous support with a donation of 5,000 euro.

The money will help to finance the expansion of the clinic with a second level and to set up an in-house pharmacy, seminar rooms, and a mother-child unit in 2011. 'We are convinced that this donation makes a difference in the life of children living in the poorest region of the world. Let me take this opportunity to thank all clients who participated in our customer survey and everyone at Movianto who contributed to this great result', said Alexander Paasch.
