

## Press Release

### **Movianto signed a contract with Bayer in the Czech republic**

**Brno/Czech republic, 4 August 2006.** Movianto Česká republika a.s., an operation of Movianto Group, Europe's specialist pharmaceutical and healthcare logistics provider, has signed an exclusive contract with Bayer s.r.o.

Movianto will provide warehousing and distribution services for Bayer's Consumer Care product range for the whole Czech republic healthcare market. The product range comprises analgesics, cough & cold remedies, gastrointestinal and dermatological products and multivitamin and dietary supplements. Bayer Consumer Care is a division of the Bayer HealthCare AG one of the world's leading, innovative companies in the healthcare and medical products industry.

Movianto's managing Director Roman Harviščík says: "Our warehousing and logistics services offers Bayer Consumer Care a real opportunity to enhance their supply chain and to increase the flexibility in delivering the products to their clients."

Movianto Group subsidiaries already provide services to Bayer affiliates in five other European countries.

**About Movianto Česká republika a.s.**

Movianto Česká republika (formerly Realpol A.S.) provides the pharmaceutical and healthcare industry with innovative logistics and distribution services. From its excellent location, close to the borders with Austria, Slovakia, Hungary and Poland, Movianto Česká republika offers tailor-made distribution services not only in the Czech Republic but also in several Central and Eastern European countries.

Movianto Česká republika is a subsidiary of the Movianto Group that operates in nine European countries. Movianto Group's customers benefit from a pan-European network, the broad range of logistics services, the know-how of the local markets and uncompromising quality standards, as well as expert knowledge with regard to the healthcare market, in line with the further developing requirements of the industry. The Movianto Group is a business unit of the Solutions division of Celesio AG, the leading pharmaceutical distribution company in Europe.
